

National Nuclear Laboratory Visitor Information

Preston

Identification Requirements

All visitors **MUST** bring photo identification with them on every day they are visiting Preston site. The following are acceptable:

British Nationals

- A valid 10 year passport
- Current UK photo driving licence

Non-British Nationals

- Valid passport

Access to Preston site **WILL NOT** be granted under any circumstances without the correct photo ID.

Please contact the Visits department on +44 (0)1772 762050 if you have any queries.

Dress Code - Applicable to Visitors Touring NNL Facilities

We advise that trousers should be worn by ALL members of the visit party to enable them to participate in any plant tour(s).

If you are touring NNL facilities and you are a classified/monitored worker, please ensure that you bring your passbook and/or dosimetry badge. Passbook requires visitors to have an up to date medical listed for a dosimetry badge to be issued.

Arriving on Site

Once on site, all visitors must be escorted at all times. Your escort will provide you with the relevant safety and security information.

Your escort will be able to answer any questions that you have regarding your visit.

They are responsible for ensuring your safety and security during your visit.

If you have any questions prior to your visit, please contact our visits team on +44 (0)1772 762050 or by emailing nnl.visits@nnl.co.uk

Other Useful Information

The car park is on the right as you approach Main Gate from Clifton/Preston. All cars must be parked in here during your visit.

Please collect your visitor pass from the Main Gate reception. All visitors will be required to listen to a short safety brief (5 minutes).

Please ensure you have given yourself enough time to pass through site security particularly during busy periods - mornings before 9am.

Work-related bags/items will be subject to search by Springfields security personnel. This search will be carried out in the presence of the visitor on each occasion prior to entry to site.

Restricted Items

Camera's and recording equipment

Cameras and recording equipment are, under certain circumstances, allowed onto the site but appropriate authorisation and permits must be in place prior to the visit taking place. Please inform NNL Visits in advance if you are need to bring equipment on to site.

Laptops

Laptops are allowed onto site for work purposes only but are subject to security checks.

Mobile phones

Mobile phones are permitted but the camera function must not be used without a permit.

Building A709, Springfields, Salwick, Preston, Lancashire, PR4 0XJ

NNL Preston Laboratory is located on the Springfields site, situated approximately 5 miles west of Preston in Lancashire.

By Road

When travelling north or south on the M6, leave the motorway at J32 and join the M55. Leave the M55 motorway at J3 and at the exit roundabout turn left onto the A585 for Kirkham. At the next two roundabouts continue straight ahead and at the third roundabout take the first left exit for the A583 for Preston. Continue through three sets of traffic lights and at the crossroads take the left turn, which is signposted for Springfields. Proceed for just over a mile, through the Windmill Tavern crossroads, pass the car park and the Springfields Main Gate is located on the right.

By Rail

If travelling by rail, the nearest main line rail station is Preston. A taxi journey of approximately 25 minutes is necessary to reach Springfields.

By Public Transport

A bus service operates between Preston and Blackpool. Leave the bus at the Clifton Village bus stop, which is approximately half a mile from Springfields.
